Charity Fundraiser Committee:

Eagle Hollow Haunts is proud to announce that the fundraiser vouchers are back for this haunt season! Your non-profit organization has the chance to raise extra funds for your charity. Not only will your charity get \$3 for every voucher redeemed...but every person that redeems the voucher gets an instant \$2 off on Haunt Admission during October 2017. Here is how the fundraiser vouchers work:

-You can either email us your logo and we can print your vouchers (up to 500 vouchers) for you and we will deliver or mail them to you so you can cut them OR we can email you a pdf file of the voucher so that you can print and cut them yourselves. Either way is acceptable. You will need to email your logo to eaglehollowhaunt@hotmail.com or slackerinvest@hotmail.com with subject line: Fundraiser Vouchers.

We prefer a black and white jpg file but are capable to convert files.

-Once you have your vouchers printed, cut and ready...just hand them out to all your friends, family and co-workers or leave a stack of them at your favorite store or restaurant. *They must be handed out away from the Haunt facility...we will not allow vouchers to be handed out on the premise. Coupons handed out on the premises will be dis-qualified for redemption and marked as void.*

-When the Haunt season is over, the vouchers will be tallied and donated funds will be distributed to your charity. Please supply us with your mailing address.

We hope you take advantage of this fundraising offer. Our top fundraising group had 559 vouchers redeemed totaling \$1,677.00 to LNS Performing Arts. Let's see if we can top that number this season!

If you have any questions please email me at the email listed or call me at our office 402-238-2595.

Happy Haunting,

Michelle Hadan
